

David Wailin Worship Integrator

A VITAL PART OF FAITH BASED ORGANIZATION SUPPORT

Worship Integrator

David Wailin combines technical expertise with musical artistry to maximize worship and celebration in faith based organizations

What does a Worship Integrator do?

1. David empowers artists *and* audio-visual crews with easy to learn breakthrough concepts and inter-coordination. This 'total team' approach elevates the worship event
2. He maximizes existing or upgraded technology to exceed the level of audio and video that our modern culture is accustomed to - creating an attractive "bridge" for the community

Why a Worship Integrator?

- A direct connection with God's Spirit is essential to organizational health and growth
- Spirit led worship fosters a connection with God, one another, and the surrounding community
- ***Within the walls*** quality worship heals hearts, prepares minds, and supports growth
- ***Outside the walls*** quality worship is the extended hand and friendly face of life and warmth
